Starting the Trip: Easy Pickup

We will pick you up from your designated location in Tbilisi in the morning to start our exciting journey to the Kakheti region.

1

Stop 1: Free Wine Tasting at KTW

Our first stop is at a famous traditional winery. You will learn how Georgians have made wine in special clay pots (called Qvevri) for 8,000 years! You can taste some of our best local wines for free, including the famous Saperavi and Rkatsiteli.

2

Stop 2: David Gareja Rock Monastery

Next, we drive to an amazing place right on the border of Azerbaijan. We will

explore the David Gareja Monastery, a holy place carved directly into the rocky mountains in the 6th century. You will see ancient icons on the walls and enjoy the quiet, beautiful desert views.

3️⃣

Stop 3: Signagi – The City of Love

We will then travel to Signagi, one of the prettiest towns in Georgia. You will love walking on its old stone streets. From here, you get breathtaking views of the green Alazani Valley and the huge snowy Caucasus Mountains. We will also explore the long defensive stone wall that surrounds the city and check out local handmade crafts.

4️⃣

Stop 4: Peaceful Bodbe Monastery

Just outside of Signagi, we will visit the holy Bodbe Monastery. This beautiful place has lovely, peaceful gardens. It is very important to us because Saint Nino, the woman who brought Christianity to Georgia, rests here.

🏁

Ending the Trip: Return to Tbilisi

After a wonderful day full of ancient history, amazing wine, and great views, we will drive you safely back to Tbilisi so you can relax.
